To Whom It May Concern,

Re: Recommendation for Iradukunda Mahoro Sandra for Trainer Position at Isomo bootcamp 2026

I am pleased to recommend Iradukunda Mahoro Sandra for the Digital Art Internship at Isomo bootcamp 2026.

I have had the opportunity to work with Sandra at Agahozo-Shalom Youth Village, where she has been actively involved in media production through the ASYV Media Center. Sandra has consistently demonstrated commitment, creativity, discipline, and a strong willingness to learn and improve her technical skills.

Sandra has contributed to different areas of media production, including videography, photography, and livestreaming. She has supported the documentation of village events and activities, helping to capture important moments and share the story of the ASYV community through visual content. Her involvement in livestreaming also shows her ability to work in fast-moving environments where focus, teamwork, and technical attention are required.

She is a reliable and collaborative young person who takes her responsibilities seriously. Whether working behind the camera, supporting event coverage, or assisting with livestream production, Sandra shows enthusiasm, patience, and a positive attitude. She listens to guidance, works well with others, and continues to develop both her creative eye and technical confidence.

I believe the Digital Art Internship at Isomo would be an excellent opportunity for Sandra to further strengthen her skills in photography, videography, and digital storytelling. I am confident that she will contribute positively to your team and benefit greatly from the learning experience.

I therefore highly recommend Iradukunda Mahoro Sandra for this internship opportunity. Please feel free to contact me at assoumani@asyv.org or call +250788615257 should you require any further information or a more detailed discussion about Sandra's qualifications.

Thank you for considering this recommendation.

Sincerely,
Assoumani Ntakirutimana
Communications Manager, ASYV
